Our Experts & Services area has been greatly expanded for maximum coverage by revamping the profile formats and listing hierarchy. Legal vendors have three options to raise their recognition, and now legal professionals have a greater selection of vendors:

- 1) Featured Profile:** At the beginning of each category, priority listings are offered. They are highlighted in yellow with large bold black font. A Featured Profile links to complete contact information, Web site and email address, a detailed company description and company logo.
- 2) Enhanced Profile:** Listed alphabetically, Enhanced Profiles are placed below the yellow-highlighted Featured Profiles and formatted in large blue and standard black fonts. An Enhanced Profile offers a distinct advantage over a Basic Profile listing by linking to contact information, Web site and email address, a company description and company logo.
- 3) Basic Profile:** Listed alphabetically, Basic Profiles are placed below Featured and Enhanced Profiles and formatted in standard blue and black fonts. A Basic Profile only links to company contact information.
