## PREFACE

We proudly present the one hundred seventeenth edition of the *New York Lawyers Diary and Manual*® including the Bar Directory of New York. We are also very pleased to continue as your reference of choice for and about the communities of law and government.

At press time, many of the judges and officials listed in this edition were subject to election. We are pleased to offer our post-election supplement to this edition, detailing changes in these listings resulting from the November 3, 2015 election and other post-press changes to this volume, free on our web site at <http://www.lawdiary.com>.

We acknowledge with thanks the cooperation of the judges and clerks of the various courts, federal, state and city officials, and local bar associations, without whose kind assistance this book would not be possible.

The New York Lawyers Diary and Manual® is now also available online, in an amazing product—LDMonline. This product offers all of the information found in the New York Lawyers Diary and Manual® in a quick-to-use electronic format. You will also find legal productivity calculators, a post-judgment interest calculator, a present value calculator, a loan calculator, a date calculator and a city, county, area code and zip code lookup tool. There are also extensive federal and state court rules in this product. Another of our online versions, LDMmobile, allows you to download our listings on your smart phone or tablet. Call us at (973) 642-1440, Ext. 2 for further details on these invaluable time savers, or login to [lawdiary.com](http://lawdiary.com) to discover our other products.
